JUST PLOT IT

G Square Pavillion, Tamil Nadu's biggest sports-themed plotted community, redefines modern living with its emphasis on an active lifestyle. Featuring 49 world-class amenities tailored around sports and physical activity, residents can now indulge in cricket, football, basketball, beach volleyball, kabaddi, skating, and you name it, it's all within the community.

Beyond its impressive facilities, the community offers a refreshing escape from the mundane city life. Nestled amidst lush greenery, it promotes a healthy and active lifestyle, encouraging residents to rediscover the joy of movement and competition. In a world where sedentary habits prevail, this visionary project stands as a beacon of change, revitalizing both body and mind. This is where the ideal community for a dream home and the essence of modern living is going to be redefined.

SALIENT FEATURES

PRESS RELEASE

Singaperumal Koil in the Spotlight!

Humble town emerges as Chennai's next hottest attraction for real estate development

Once a sparsely populated hamlet, renowned for ancient cave shrines, Singaperumal Koil is today an upcoming and fast emerging auto-rail hub of the city. A clutch of industrial houses like Force, Mahindra, Renault-Nissan, BMW, Lear, etc. and IT giants like Zoho, Capgemini, Wipro, Infosys, etc. have already set up their base here, generating around 50,000 jobs in the region.

A BOOST TO REAL ESTATE

Located in the Tambaram-Chengalpattu section, the town is poised to be the third automobile-rail hub in the Chennai region after Walajabad and Melpakkam, and is emerging a gold mine for real estate developers. Large tracts of vacant land in the region are attracting the attention of numerous builders and real-estate developers, who intend to build a standard community society, that can encapsulate accommodation for the population that will reside here in the coming years.

THE CONVENIENCE OF CONNECTIVITY

Further, excellent rail and road connectivity and emerging infrastructure make Singaperumal Koil a favoured real estate destination.

Eight-laning work at Guduvanchery-Chettipuniyam stretch of Chennai's GST Road gains pace

By Express News Service

CHENNAI: Around 25 per cent of the eight-laning of the Grand Southern Trunk (GST) road's 13.5-km stretch between Guduvanchery and Chettipuniyam (Mahindra City) has been completed, said sources in the National Highways wing of the State government. The work began in November last.

Widening of the four-lane GST road (Tambaram-Tiruchy NH) from four to eight lanes was necessitated to facilitate the proposed construction of elevated corridor from Tambaram and Chengalpattu.

The Hon'ble Minister laid the foundation stone for the construction of the railway flyover at Guduvanchery and Singaperumal koil

சென்னை, 8 சூலை. ஆங்கிலேய-புவனேஸ்வர சாலைக்கு இடையே பிளாங்கோன், குடuvanchery மற்றும் சிங்கப்பெரும் கோயிலுக்கு இடையே உள்ள 13.5 கி.மீ. நீளம் கொண்ட பழைய நான்கு சாலைகளை எட்டு சாலைகளாக விரிவு செய்து, அதன் மொத்த செலவு ரூ. 37600 - 38400 கோடிக்கு மேலான தொகையை ஒதுக்க உத்தேசித்து, அதற்கான பணியை மேற்கொள்ளும் திட்டம் தீர்மானிக்கப்பட்டது. இந்த திட்டத்தின் கீழ் அனைத்து பணியும் சூன் 15-க்கு முன்பாக முடிவடைந்து, அதன் பின்னர் சிங்கப்பெரும் கோயிலில் இருந்து குடuvanchery வர 13.5 கி.மீ. நீளம் கொண்ட பழைய நான்கு சாலைகளை எட்டு சாலைகளாக விரிவு செய்து, அதன் மொத்த செலவு ரூ. 37600 - 38400 கோடிக்கு மேலான தொகையை ஒதுக்க உத்தேசித்து, அதற்கான பணியை மேற்கொள்ளும் திட்டம் தீர்மானிக்கப்பட்டது.

Guduvanchery-Chettipuniyam stretch of GST Road to be widened by May 2023

The National Highways wing of the State Highways Department is carrying out the work at an estimated budget of ₹423.77 crore, with the NHAI bearing the cost

Work to widen the stretch of GST Road between Guduvanchery and Chettipuniyam to eight lanes is likely to be completed by May 2023. The Tambaram-Guduvanchery stretch has already been widened.

According to sources in the National Highways Authority of India (NHAI), under whose control the road is, around 50% of the work has been completed so far. The National Highways wing of the State Highways Department is carrying out the work at an estimated budget of ₹423.77 crore, with the NHAI bearing the cost. The road was four lanes, and now the width is being doubled in addition to the construction of service lanes and stormwater drains and extension of culverts.

A source in the State Highways Department said of the five sections in the road, work on two had been completed and one more was nearing completion. Of the remaining 135 km, the work is in various stages with only the bituminous concrete layer to be laid in the stretch between Singaperumalcoil and Chettipuniyam.

An engineer associated with the project said the project faced issues, including the shortage of aggregate material, which was necessary for formation of the road, shortage in availability of labourers, continuous traffic, shifting of utilities and waning of the right side of the road due to rain.

Tamil Nadu: Construction of OMR bypasses gains momentum

CHENNAI: Traffic along Old Mahabalipuram Road (OMR) is all set to become better with the construction of Thirupurur and Kalambakkam bypasses gaining momentum. Tamil Nadu Road Development Corporation (TNRDC) plans to open both the roads for public use by the end of this year. OMR, which is a six-lane road till Sauseri, becomes four lane after that.

IT professionals, who work at the local IT Park and stay at Padur, Kolambakkam and Thirupurur, use this road to reach office and get back home.

Besides this, south-bound vehicles use this stretch to reach Mahabalipuram or Pondichery via East Coast Road (ECR). This led to frequent traffic jams in this area, particularly during peak hours. So, the TNRDC in 2018 proposed to construct two bypasses after Siruseri - Kelambakkam (4.67 km) and Thirupurur (7.45 km) -- at an estimated cost of ₹2013 crore to decongest the stretch. But the cost escalated due to delays.

TNRDC started constructing Thirupurur bypass in 2018 and acquired land from 13 villages in Chengalpattu district including Kazhipattur, Thandiam and Kalavakkam.

Proposed heritage village at Singaperumal Koil under Rurban mission to boost tourism

The Centre's proposed plan to create a heritage village and boost tourism at Singaperumal Koil and nearby villages, about 40 km south of Chennai, is expected to give a much needed fillip to the region's development.

The government has sanctioned ₹25 lakh under the Swarna Prasad Member's Rurban Mission based on the State government's suggestion to promote heritage villages and tourism in the region.

The Rurban Mission covers Singaperumal Koil and six villages nearby -- Agron, Chettipuniyam, Guruswamudi, Kolchak, Bellanjilaram, and Venkateswaram.

WHY SINGAPERUMAL KOIL?

Job Opportunities & Companies

- Easy connectivity to IT companies & MNC's - Zoho International, Force, Mahindra, Renault-Nissan, BMW, Lear, Capgemini, Wipro, Infosys, etc.
- This location is currently generating around 50,000 job employment options.

Location Advantages

- The area has all the amenities for a comfortable life, including Shopping malls, Restaurants, and Hospitals.
- Despite already existing facilities, there is also scope for more Educational Institutions, Healthcare centers, Entertainment zones and IT companies.

Road Development Plans & Connectivity

- The area is well-connected to the city, with good public transport options through rail and roads.
- New Singaperumal Koil Overpass bridge enables easier connectivity between Oragadam and GST road.
- Easy connectivity to Vandalur, Chengalpattu, Padappai, Oragadam, OMR, ECR and other main locations in the city.

Price

- Price per sq.ft. is 1/3rd from Urapakkam which makes this location a great affordable one for living and investment too.

Industrial Hub

- Singaperumal Koil is surrounded by many automobile industries in the Chennai Chengalpattu-Kanchipuram sector. This location is an essential amenity provider for people living in different parts of the country.
- Many industrial houses are expanding in the area.

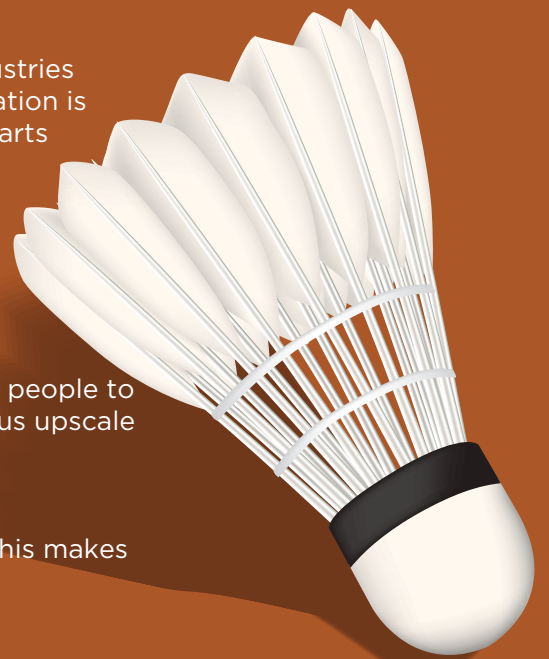

Residential Haven

- Serene and fast developing locality.
- The development of the locality is pushing large crowds of people to move into Singaperumal Koil, thereby establishing numerous upscale residential neighborhoods and gated communities.

Higher Appreciation potential

- The location being prominent residential & industrial hub, this makes Singaperumal Koil a higher appreciating location.

HAPPY OWNERS OF G SQUARE PLOTS

Ganika Jain

G Square Symphony

G Square Housing is the only real estate developer we trust. They have a great track record and always deliver on their promises. We are very happy with our new land and can't wait to start building our dream home.

Rupashree Srinivasan

G Square Seawoods

I was extremely impressed by the attention to detail paid by G Square Housing. The plot location has been chosen perfectly near the beach. Best part was that there was no headache while buying the plot because of the support given by them.

Get your friends as your neighbours & get rewarded too!
